

GIFT OF CARE CIRCLE

How to Support
Seniors Like Grace

What is UMC's Gift of Care Circle?

Charitable care has always been at the heart of United Methodist Communities' mission of compassionately serving in community – and it continues through the Gift of Care Circle. UMC affirms its commitment to never ask a resident to leave due to inability to pay if they have exhausted their financial resources through no fault of their own, provided the resident agrees to apply for and obtain all federal subsidies, such as Medicaid, and maintain eligibility with all of UMC's policies as a recipient of Gift of Care support. We remain committed to providing an abundant life for all those we serve.

Grace's Story

When my husband and I needed a new home as our needs changed, we were so overcome with joy to come across UMC. We found not only peace of mind, but we were able to live an engaging life with a multitude of activities and opportunities to make new friends with people who shared similar hobbies, faith and interests. The teammates are so helpful and feel like family – they even taught me how to use my iPad so I can stay connected with my grandson. Five years after our move, my husband passed away and I became concerned that our retirements savings were not enough to pay for my continued stay at UMC. Thankfully, those fears were put to rest when I discovered I was eligible for UMC's Gift of Care Circle.

I am eternally grateful to the generous donors who support the Gift of Care Circle. Their generosity has made my extended stay here at UMC a blessing, and I can continue to live an abundant life filled with faith, hope, and joy.
